

## Language and Learning Clinic's Caregiver Workshop Series

### *Common Sensory Issues*

#### **About the workshop**

This workshop was created for parents and caregivers of individuals diagnosed with autism spectrum disorder and other developmental disabilities who want to learn more about sensory issues. The informational workshop will cover several sensory issues common in children with ASD and provide suggestions from a behavioral framework. This workshop is appropriate for parents or caregivers who want to better understand autism and the research on sensory concerns.
