

Marcus Autism Center Caregiver Workshop Series

Foundational Social Skills

Early Language - Social Skills: (Words and Gestures)

This workshop will provide caregivers with training on the development of social skills for early learners with ASD or other developmental disabilities who have limited verbal skills and are not talking in sentences. Caregivers will learn strategies for development of social skills for early learners with ASD or other developmental disabilities who have limited verbal skills and are not talking in sentences. The workshop will focus on behaviorally-based teaching procedures for the development of social skills such as: greeting others, getting attention from others, sharing, turn taking, and cooperative play.

Upcoming dates

- Tuesday, July 24, 2018: 2:00 to 4:00 p.m.
- Tuesday, October 23, 2018: 2:00 to 4:00 p.m.

Registration

The cost is \$25 for the workshop. Registration is required prior to attendance. To register for this workshop, please contact Michelle Denney at Michelle.Denney@choa.org. Once your registration request is received, you will receive a link for payment. Once your payment is received, a confirmation receipt will be emailed to you and you will be placed on the confirmed list. You will receive an informational email one week prior to the workshop. All workshops will be held at Marcus Autism Center. We reserve the right to cancel or reschedule any workshop. Workshops are for caregivers only; childcare is not available.

For questions, please contact Michelle Denney at Michelle.Denney@choa.org
