

## Language and Learning Clinic's Caregiver Workshop Series

### *Building Routines at Home*

This workshop was created for parents and caregivers of individuals diagnosed with autism spectrum disorder (ASD) and other developmental disabilities. This workshop will cover both the importance of establishing routines, as well as the importance of being flexible with routines for individuals with ASD and their families. In addition, we will cover how you can use routines to teach new daily living skills and help determine appropriate goals for your child.
